OPEN LETTER TO WHOM IT MAY CONCERN;

Sometimes we tend to forget that Alcoholics Anonymous was Formed, Copyrighted and Trade Marked as a program for the recovery of alcoholics; that we in Alcoholics Anonymous Cooperate but do not Affiliate; that our primary purpose, as individuals and groups, is to carry the message to the alcoholic who still suffers.

We are quite sure there are those who don't understand to the fullest our love and our need for this program. It is our very lives! No wonder we guard it so jealously. Nature's first law, you know, is the Law of Self Preservation. When we see so much dissention and resentment being caused among us by persons other than alcoholics, we become panicky and begin to fight back, and in doing so sometimes hurt others as well as ourselves.

Bill W. our founder, said the two things that could cause the complete disintegration of Alcoholics Anonymous quicker than anything else are;

Number one— Continued breaking of anonymity at the public level and

Number two—Affiliation with others whose Common Problem is other than alcohol. These are the very two main factors that caused the Washingtonian Movement and the Oxford Group to fail.

Alcoholics Anonymous **MUST NOT** and **SHALL NOT** fail.

Through our compassion for the suffering of other human beings, we sometimes forget that we in Alcoholics Anonymous can not solve all the problems of mankind. We wish to cooperate fully with anyone. If the principles of A. A. can help in any way, they are most welcome to use them.

We feel and suggest those among us with a Common Problem other than alcohol would receive more benefit for themselves and others becoming acquainted with the program if they formed their own groups, as our nonalcoholic mates have. Our Associates get a certain benefit from A.A. meetings, but receive more help from their own groups where they discuss their Common Problem, "Alcoholic Mates".

ALCOHOLICS ANONYMOUS is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their COMMON PROBLEM and help other to recover from ALCOHOLISM.

In closing our only prayer is that you who read this letter please accept it, in the light in which it was written, as an effort on our part to impress upon everyone the terrific importance of our First, Fifth, Eleventh, and Twelfth Traditions.
